5. Diversity and equality

Policy Statement

BWine, International Wine School, as an Approved Program Provider (APP) for WSET® Awards, fully supports the principles of Equal Opportunities. We strive to ensure that all candidates for the WSET® qualifications are treated fairly and on an equal basis.

Responsibilities

Equal Opportunities are assured by BWine, International Wine School (as an APP for WSET® Awards) via the following commitments:

- (with the support of the WSET®): ensuring there are no barriers to entry to the WSET® units and qualifications

. The nature of any barriers will be stated and the inclusion of the requirements that create the barrier justified only and explicitly in terms of the integrity of the unit or the qualification. Details of how the effect of any barriers will be mitigated will be recorded, including using access arrangements or including

Reasonable Adjustments;

- promoting practices and procedures in that give equal opportunities to everyone;
- working as appropriate with the WSET® to develop measures to identify and prevent inequality of opportunity for candidate;
- ensuring, to the best of our ability, that any documentation produced does not contain language or images which may be regarded as offensive or stereotypical, and reflects the diversity of contemporary society.

6. Reasonable adjustments

A reasonable adjustment is any action that helps to reduce the effect of a disability or difficulty that places the candidate at a substantial disadvantage in the assessment situation.

BWine, International Wine School seeks to conduct the assessment of all candidates in a way that puts them at no disadvantage, or advantage, over other candidates.

Reasonable adjustment may involve:

- Adapting assessment materials, such as providing materials in large text format
- Re-organising the assessment room, such as removal of visual stimuli for an autistic candidate. Reasonable adjustments are approved or set in place before the assessment activity takes place; they constitute an arrangement to give the candidate access to the qualification. The use of reasonable adjustment will not be taken into consideration during the assessment of a candidate's work. Out of fairness to all candidates, evidence on the grounds of race, sex, pregnancy and maternity, marital or civil partnership status, gender reassignment,

disability, religion or beliefs, age or sexual orientation of the individual circumstances giving rise to the request must be produced. BWine, International Wine School will:

- identify any special assessment needs at the time of candidate registration.
- inform WSET® Awards at the earliest opportunity so that appropriate arrangements can be made.
- agree the specific arrangements for the examination, or for marking with WSET® Awards, which will vary according to individual circumstances. WSET® Awards reserves the right to seek the advice of independent agencies as appropriate in coming to a decision on specific arrangements and must agree before any reasonable adjustments are offered by BWine, International Wine School to its students.
- Please submit any Requests for Reasonable Adjustments at least 8 weeks before the date of the examination. BWine, International Wine School will forward any Requests for Reasonable Adjustments to WSET® Awards within 5 working days of receipt and WSET® Awards will respond after 4 working weeks after giving the request due consideration.
- Candidates and their advisors should also be aware:
 - that it is not appropriate to make requests for special arrangements where the candidate's particular difficulty directly affects performance in the actual attributes that are the focus of the assessment.
 - reasonable adjustments will not give unfair advantage over candidates for whom reasonable adjustments are not being made, or alter the assessment demands of the qualification as detailed in the qualification specification.

7. Special consideration

Special consideration is an action taken after an assessment to allow candidates who have been disadvantaged by temporary illness, injury, indisposition or adverse circumstances at the time of the assessment to demonstrate attainment.

- Performance in an examination is affected by circumstances beyond the control of the candidate. This may include recent personal illness, accident, bereavement or examination room conditions;
- alternative assessment arrangements which were agreed in advance of the assessment proved inappropriate or inadequate;
- the application of special consideration would not mislead the end-user of the certificate. WSET® Awards must be notified in writing within seven days of the examination date where special consideration is being requested using the Request for Special Consideration. Eligibility will only be considered if accompanied by supporting independent documentation, and please allow extra time for BWine, International Wine School to pass your request to WSET® Awards.
- Where a candidate is unable to attend an examination due to recent personal illness, accident or bereavement, the APP will endeavour to transfer the candidate to an alternative examination date at no extra cost. In cases of serious disruption during the examination, the Examinations Officer of BWine, International Wine School must submit a detailed report of the circumstances and candidates affected to the Examinations Administrator at WSET® Awards, in addition to the Examination Papers.
